SNEEZE GUARD PROTECTION

Sneeze Guard Dividers help protect customers and employees by maintaining social distancing guidelines in essential situations.

Everyday life involves collaborative interactions.

- Meeting and making arrangements at a desk
- Checking out at a retail counter
- Sharing in open office spaces
- An appointment at a doctor's, dentist's or eye doctor's office
- Greeting at reception counters

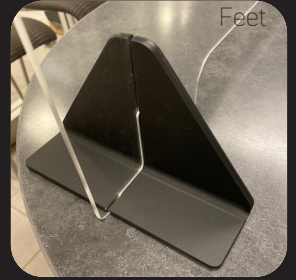

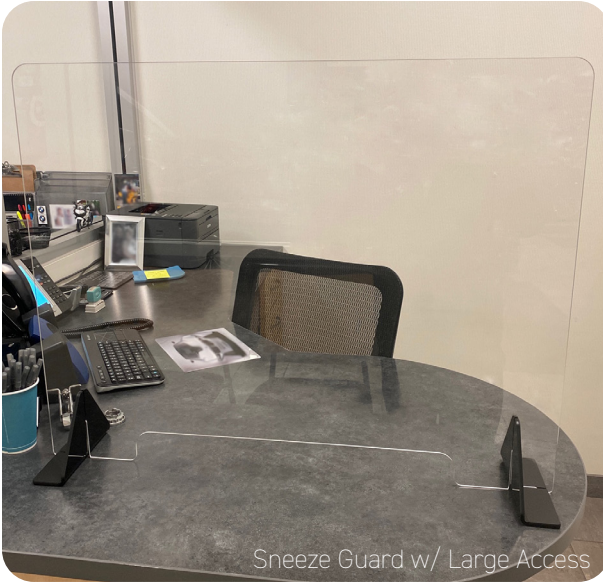

Adding a clear physical barrier to corporate desktops, checkout counters and reception counter tops to help reduce the transmission of germs & diseases.
